

## **SOCIAL MEDIA, PHOTO & FILM Internship**

**50-100%, December 2020 – April 2021**

Do you love life in the mountains? Are you a good communicator, creative and love social media? If so, we have the perfect job for you! We are looking for a part- or fulltime social media intern with know-how in photography and film. Join us for an unforgettable and creative internship in Saas-Fee. We are a young, dynamic team that always strives for more, just like you. Always on, always stylish, always fun!

Your base is at the ESKIMOS head office in Saas-Fee. Your workspace is at the bottom, on and next to the mountain.

You have the following interests, internship and/or work experience:

- Photo & film production
- Media & design
- Social media / marketing / communications
- Graphic design / advertisement

You are full of ideas, creative and know about...

- ...contribution or autonomous concept creation for social media channels – summer & winter
- ...shooting & editing ESKIMOS photos according to concept
- ...filming & editing of videos, trailers according to concept
- ...contribution to website (photo & movie adjustments)
- ...weekly content creation for stories, posts, events
- ...input in marketing, social media, TripAdvisor, Vimeo, YouTube, e-mail

Do you want to be like us? We are...

- ...a cool, young & international team in a positive work environment and with a drive to make fresh and creative ideas come to life.
- ...snow sport instructors with a lot of passion for the snow and the mountains and we want to share our adventures and experiences with you.
- ...a company with a management, that continuously comes up with new ideas and projects, to make your work versatile and spur your drive.

**We are excited to meet you!**
