

LE RÉGENT
INTERNATIONAL SCHOOL
CRANS-MONTANA SWITZERLAND

Part Time School Nurse/ASSC

From September 2021

If you want to work as part of a team, looking after the health of students aged 3 to 18, this could be the job for you.

DUTIES

- working closely with the houseparents and teachers offering support and advice on health-related issues
- managing medical files
- managing the boarders' insurance files
- carrying out immunisation and screening programs; administering medications
- managing medical conditions in close cooperation with the houseparents, teachers and parents
- taking pupils to their therapists and picking up medication at the chemist's
- providing training to teachers on healthcare issues
- promoting a healthy living

ENTRY REQUIREMENTS

- at least two years' experience as a qualified nurse
- driving licence
- school nursing experience or previous experience in working with children in the community
- bilingual (English/French) or a solid working level of English
- excellent communications and managerial skills and the ability to keep accurate records
- self-awareness and emotional stability
- a responsible attitude to work
- a non-judgemental approach
- the ability to explore sensitive issues, with tact and patience
- a clear understanding of confidentiality issues
- the ability to stay calm in an emergency
- good team working skills and the ability to work on your own initiative

WORKING HOURS

Part time (40%)
