

Lonza

Global Master Data Professional (m/w/d)

Job Description Summary

Today, Lonza is a global leader in life sciences operating across three continents. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

For our Global Master Data team in Visp, we're looking for a Global Master Data Professional. You will assume responsibilities in improvement, development of the Master Data management process and maintenance of the Master Data quality.

Key responsibilities:

- Translate business requirements into concepts and improve existing solutions.
- Run complex reports, trigger analysis and drive for correction / mass changes of data.
- Support the team in trainings and daily operation.
- Support the team in different projects and initiatives.
- Run Master Data Reports and visualize those.

Key requirements:

- Bachelors degree in Business administration / finance or similar education
- 3 years of experience in business environment, process management skills are an asset
- Strong analytical skills with ability to understand complex data structures
- Fluent in English, German is an advantage
- Conceptual and strategic thinking
- Ability to self-educate in new areas
- Effective communication and decision making skills

Every day, Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
