## QA Batch Record Review IBEX Conjugates (f/m/d)

### Job Description Summary

Today Lonza is a global leader in life sciences operating across three continents. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

For Ibex® Solutions ([www.ibex.lonza.com](http://www.ibex.lonza.com)), our recently launched unique biological manufacturing and development concept in Visp, Switzerland, we have multiple openings. Become part of this exciting opportunity and join our team by applying for the position as QA Batch Record Review IBEX Conjugates (f/m/d).

QA Batch Record Review IBEX Conjugates (f/m/d) He/she implements Quality Assurance capabilities that positively impact the quality strategy of the company. He/she will be accountable for the performance and results of the assigned area.

#### Key responsibilities:

- Review of executed batch logs (e.g. cleaning logs, production documentation review, temperature reports, test procedures, raw data, logbooks)
- Support batch release by ensuring the completeness of the documentation package
- Review the comments added to the executed batch records, clarify with the operations team and evaluate with the responsible QA manager
- Support initiation of deviations and investigations for observations to review batch records
- Collect and evaluate KPI data on a regular basis
- Write and revise SOPs in your area of expertise

#### Key requirements:

- Bachelor's, Master's, or PhD in biology, chemistry, biotechnology, life sciences, or another related field
- Previous experience in the GMP regulated Pharma/API industry is an asset
- Ability to identify violations and gaps in quality standards
- Structured, precise and well-organized work attitude; open to new ideas and suggestions; agile, highly motivated and dynamic drive
- German as mother tongue / very competent and good knowledge of English is required

Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
