

# QA Compliance Manager Inspections and Audits

Today Lonza is a global leader in life sciences. We are more than 15,000 employees in more than 100 locations around the world. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

For Ibex™ Solutions, our recently launched unique biological manufacturing and development concept in Visp, Switzerland, we have multiple openings. Become part of this exciting opportunity and join our team by applying for the position as Compliance Manager Inspections and Audits. The Compliance Manager will be responsible as a lead auditor for internal audits.

## Key responsibilities:

- Management of the Audits and Inspections
- Establishment of a continuous inspection readiness program
- Performing Mock inspections and being responsible for 3rd parties services audits
- Supporting customer audits
- Being responsible for material supplier audits as needed
- Management and Support of Responses to Observations including Corrective Actions Plans
- Selection, coaching and training of Subject Matter Experts (SMEs) including training activities to ensure continuous inspection readiness

## Key requirements:

- Bachelor, Master degree or PhD in chemistry, biotechnology, life sciences or related field
- Significant experience in the GMP regulated pharmaceutical industry; preferable in a role within the Quality Unit
- Strong background in cGMP regulations
- Certified Internal Auditor (CIA) qualification (or willingness to complete)
- Previous experience in interacting with health authorities (e.g. Swissmedic, FDA etc.)
- Ability to oversee project execution to identify non-compliance from quality standards
- Structured, focused and well-organized working attitude
- Open-minded for new ideas and suggestions
- Capability to negotiate with different stakeholders for the implementation of corrective actions
- Excellent communication skills in English, German would be an advantage

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
