

Lonza

Team Leader Translation Team

Job Description Summary

Today, Lonza is a global leader in life sciences operating across three continents. While we work in science, there's no magic formula to how we do it. Our greatest scientific solution is talented people working together, devising ideas that help businesses to help people. In exchange, we let our people own their careers. Their ideas, big and small, genuinely improve the world. And that's the kind of work we want to be part of.

As part of the Quality Systems department, the team leader of the translation team is responsible for the translation team at [Visp](#), ensuring translation of diverse technical documents

Key responsibilities:

- Ensure the qualification of the team members to perform their duties, distribute and coordinate the work within the team.
- Leading, developing and coaching the team
- Allocation, co-ordination and prioritization of work within the teams
- Define process for documents translation (English -> German and German-> English)
- Support for translations

Key requirements:

- Master, Bachelor or equivalent in a scientific field Chemistry, Chemistry, Biochemistry, Biology, pharmaceuticals.
- Experience in translation or bilingual environment
- Proven leadership skills and effective use of hard and soft skills in all aspects of management including conflict resolution, team building, decision making etc.
- Strong verbal and written communication skills
- Fluent in (English and German)

Every day, Lonza's products and services have a positive impact on millions of people. For us, this is not only a great privilege, but also a great responsibility. How we achieve our business results is just as important as the achievements themselves. At Lonza, we respect and protect our people and our environment. Any success we achieve is no success at all if not achieved ethically.

People come to Lonza for the challenge and creativity of solving complex problems and developing new ideas in life sciences. In return, we offer the satisfaction that comes with improving lives all around the world. The satisfaction that comes with making a meaningful difference.
